Dear Valerie.

I hope this email finds you well. I understand your position but this decision you are taking put us in a very difficult situation since at this moment we have an important amount of ready merchandise to be shipped for your company. You can well understand what mean for us keeping the gold stucked at our warehouse (interests with the bank, lacking of raw material for new orders, etc).

I really hope you can find a solution for this unpleasant situation for both sides.

Thanks as always for your help.

Have a great day.

Dear [REDACTED]

With the situation going on with Customs clearance right now, we decided to hold the shipment until further notice.

Thank you.
